Can we save DataViz? Or is it just dashboards now?

2012 was a heady time. I had left science to try turning a hobby, graphic design, into a career. What I didn’t realize was how lucky my...

UCGIS 2018 Symposium and CaGIS AutoCarto

UCGIS is pleased to announce the 2018 Symposium hosted with the Cartographic Society (CaGIS) and AutoCarto. The theme will explore Geospatial Data Science.

We will connect the dots between the Geospatial Data Science and the burgeoning new field of Geospatial Data Science.
