Accessing Esri ArcGIS Services using a HarvardKey
(ArcGIS Pro, ArcGIS Online, Business Analyst, Community Analyst, StoryMap, etc.)
Updated September 19, 2019

1) Go to the Harvard ArcGIS Online Enterprise account page:
   https://harvard-cga.maps.arcgis.com/home/index.html
2) Click Sign In at the upper right:

   ![Enterprise login](image)

3) Click Enterprise login, and then the blue button named “Harvard University Center for Geographic Analysis @Harvard University”. See below.

4) Login with your Harvard Key, including the two step verification.

   You will be logged into the system with a username generated from your Harvard Key info. You will not need to use this username to login in the future; just the Harvard Key method outlined above.
